New NMFC for Power Tools

Please contact your UTS Audit Specialist for more information or help with compliance.

The National Motor Freight Traffic Association is amending its National Motor Freight Classification (NMFC) for power tools. The changes takes effect April 27.

Items 186590 and 186592 are being canceled and replaced. The new item, 186640, applies classes based on density.

New NMFC Item 186640

The following descriptions become effective April 27:

Item 128000 TOOLS, OR PARTS NAMED: subject to Item 183550 Tools, power, NOI, handheld or hand supported, see Note, item 186641, in boxes or crates, subject to Item 170 and having a density in pounds per cubic foot of:

Sub 1 Less than 10 = **Class 150**

Sub 2 10 or greater = **Class 85**

Note: Also applies on complement of accessories in same package.
